# MEMBERSHIP APPLICATION FORM

Membership in the Simcoe County (Unity) Christian High School Society requires your agreement with the Foundational Statement below, acceptance of this application by the Board of Directors, and payment of the annual membership fee (which is waived for tuition paying parents). Membership is not required for student enrollment, however membership allows families to have full voting privileges at our society meetings.

## Bylaw No. 1 of the Simcoe County (Unity) Christian High School Society

### PREAMBLE

Believing that it is our duty and privilege as Christian parents to provide Christian education for our children and believing that this can best be accomplished by concerted action, we do hereby make and adopt the following article of association to with:

### ARTICLE I

This organization shall be known as the “SIMCOE COUNTY CHRISTIAN HIGH SCHOOL SOCIETY”, hereinafter referred to as the Society.

### ARTICLE II

#### God

We believe in one God: creator of all, holy, and sovereign, existing in three equal Persons, the Father, the Son, and the Holy Spirit. This only true and living God has revealed Himself through the Bible, in Christ Jesus, and through Creation.

#### Christ

We believe that Jesus Christ is the eternal Son of God, fully divine and fully human, in His virgin birth, sinless life, substitutionary death, bodily resurrection, ascension into heaven, and in his personal bodily return at the end of the ages; that He is Lord.

#### The Holy Spirit

We believe in the deity of the Holy Spirit who convicts of sin, of righteousness, and of judgment; who regenerates, sanctifies, illuminates, comforts those who believe in Jesus Christ, and empowers His people individually and together to fulfill their gospel and cultural mandate.

#### The Bible

We believe the Bible, the sixty-six books of the Old and New Testaments, to be the inspired Word of God, by which the Holy Spirit enlightens our understanding of God, ourselves, and the world. We believe that the Bible is the infallible authority by which God directs and governs all our activities, including the education of our children.

### **Creation**

We believe that the world, in its origin, gracious preservation and ultimate restoration, is the work of the Triune God. Since the glorification of His Name is its purpose, we can understand the world rightly only in its relation to Him.

### **Humankind**

We believe that all people have been created by God in His image to be stewards of His creation and to enjoy fellowship with the Creator. Furthermore, all people, given special gifts far above any other creature, received the responsibility to be over all things in accordance with God's will and to His honour and glory.

### **Salvation**

We believe that salvation is by the sovereign grace of God; that by the appointment of the Father, Christ voluntarily suffered and died, paying the penalty for our sins; that justification is by faith alone in the sufficient sacrifice and resurrection of the Lord Jesus Christ.

### **The Second Coming**

We believe in the bodily resurrection of the just and the unjust; the eternal punishment of the lost; and the eternal blessedness of the saved.

## **ARTICLE III**

### **Purpose of Education**

We believe that the purpose of Christian education is to work in partnership with home and church in guiding the child to commit his/her heart to Jesus Christ and to see all of life—physical, emotional, mental and spiritual, both in and out of school—with its disciplines, virtues, relationships: and a world outlook from God's point of view as revealed in the Word of God.

### **School**

We believe the school is an educational institution established and directed by an association of Christian believers; therefore the educational principles must be distinctively Biblical in emphasis and character. The school possesses the freedom to function in education in total and voluntary submission to Christ and is not subject to any church organization.

### **Life**

We believe that life should be an inner attitude and outward demonstration of total commitment to God. Such a Spirit filled life is characterized by loving God and your neighbours as yourself. We believe that God created man to serve Him totally, and requires us to educate our children for His service.

### **Parents**

We believe that God in His infinite wisdom has given parents the primary responsibility to teach their children to know and love the Lord in all righteousness, nurture, train, and educate their children. Therefore, parents should establish and maintain Christian schools.

### Child

We believe that the child, entrusted by God to parents, needs structure, correction, and instruction. Children of the Christian home are a heritage of the Lord and share in the promises and the demands of Christ's covenant with His people. Hence, they ought to receive Christian education.

### Teacher

We believe that the teacher is responsible to God and also to the parents, through the board, for the performance of his/her office of educating the child in the school. As a servant to the students, the teacher is accountable to be an example of mature Christian behaviour.

### Christian Unity

We believe that based on love as defined in the Bible, and because of the unique nature of a non-denominational school, that harmony and unity are fundamental to the goals of the school.

### Please complete the following:
